

30-0-0

GUARANTEED ANALYSIS % BY WEIGHT

Total Nitrogen (N).....30%

12% Urea Nitrogen

18% Other Water Soluble Nitrogen*

Derived from: Triazone, Methylene Urea, and Urea

***18% Slowly Available Nitrogen from Triazone and Methylene Urea**

Weight per gallon: 10.5 lbs

KEEP OUT OF REACH OF CHILDREN

CAUTION

May cause eye irritation or injury. Prolonged exposure to liquid, vapor or mist may cause irritation to skin, eyes, nose and/or throat. Use only with adequate ventilation. May be harmful if swallowed. Before using this product, thoroughly review the safe handling and storage information on this label.

Quantum 30-0-0 is a clear liquid fertilizer marketed by Coastal AgroBusiness . Quantum SDS (Steady-Delivery-System) fertilizer can be used in row crop, turf, fruit and vegetable applications. Quantum 30-0-0 is a saturated polymer solution. It can be blended with most phosphorus, potassium, and sulfur sources, but only to their solubility thresholds. If Quantum 30-0-0 is being used as a portion of the nitrogen in a NPK blend, it is compatible with most nitrogen sources. Quantum can be mixed with most common pesticides, herbicides and fungicides. However, a jar test should be used to confirm compatibility. Quantum should not be mixed with strong acids (e.g., phosphoric) as product degradation will occur and the fertilizer will precipitate. Quantum is ideal for drip irrigation systems and can be directly siphoned into a proportioner.

APPLICATION RECOMMENDATIONS

Refer to your local dealer representative for application guidelines.

Safety and First Aid

Eyes: Immediately rinse with water. Remove contact lenses. Hold eyelids apart and flush eyes with water for at least 15 minutes. Get medical attention **Skin:** Wash skin thoroughly with soap and water. Get medical attention if irritation persists. **Inhalation:** Move person into fresh air. Rest in half upright position.
